Prices of Big Issues Take a Diegele Promised Mercy for Tumble During the Morning Hours

New York, N. Y., Aug. 22.—Selling of stocks was resumed in the afternoon. The movement began with a slump of almost five points in Canadian Pacific, which had its inception in Berlin.

Union Pacific fell back close to the morning's low level and steel lost all its gains with general weakness all around. Buying of Union Pacific rallied prices in the closing hour.

The market closed steady. United States Steel was the feature of the last hour, advancing to 73, its best price of the day, on heavy offerings. The list as a whole was favorably influenced, Union Pacific and Reading reflecting more than moderate support.

Sebastian Vargas, sr., has carried six out of the 13 voting districts in Ciudad Juarez, according to an unofficial re-port. Dr. Rodarte carried seven of the districts and it is possible that he might have a slight majority in the city. In the outlying districts as in the districts of Bravos and Galeana, Mr. Vargas is led to believe that he is the winner, as already he has received messages from friends in all of the towns, which say that the majority of

As in the old system of Mexican elections, there have been a few cases of frauds found in the election of last Sunday and it is probable that a prosecution may follow.
